Hasn't scored a victory recently - not worth it on this animal today. Tread lightly with this one - connections have been a bit cold when teaming up. Jose Garoffalo has not gotten the best out of this mare (25 starts, 4% wins).

Antonio Cioffi isn't on the best of streaks right now. Could be tough to play after that last stretch effort. Rider hasn't had the greatest win percentage as of late - may have to give a pass.

This jock and conditioner's equines have been producing a profitable ROI. Second start - horse will mature off of the last one. Tread lightly - effort just wasn't enough last out.

May have to pass on this one - handler hasn't had the best of luck recently. Tread lightly with this horse - connections have been cold when teaming up.

Finished in the rear of the field last time - not a great sign. Always a smart play to bet sprint horses that make a rapid turnaround. Antonio Sano has not recorded strong returns with this colt.

Hubert Pinnock has not recorded strong returns with this gelding. Faltered in the stretch last out - may do the same. Sire's turf foals have not been profitable prime bets of late (-41% ROI).

⚠Turf starters by this Sire have not shown good profits (8% wins -31% ROI). ⚠This pony coming off a strong effort in the last 30 days is definitely live. ⚠The combination of Abdiel Jaen and Jared Cheeks isn't on track lately.

Last out this mount put forth a strong attempt. • Blinkers on may keep this mare's mind on business. ♡ A pony coming back this quickly after a nice race is a good omen.

Have to be leery with entries trained by Michael A LeCesse right now - on a losing streak. This less than sharp equine didn't finish in the top half of the field last time around the track. Didn't show enough fighting spirit in the lane last time.

The rider and handler duo have a lucrative ROI when they are put together. Disappointed as the public's choice in the most recent outing. This racer coming off a sharp race in the last thirty days is definitely live.

⚠️ Didn't show much courage during the stretch run last time - be cautious with her. ⚠️ Finished in the back of the pack last time - not a ringing endorsement. ⚠️ May have to skip this horse - handler hasn't had the best of luck in recent times.

Could be tough to invest in after that last stretch performance. Just not a worthwhile play - conditioner not winning many races in recent times. Finished out of the top half of the field last race out.

No substitute for maturity gained - watch for an improved performance in the second outing. Coming back from an extended layoff - current form picture is somewhat clouded. Not betting on this horse after the last try.

Tough to figure this one winning after finishing at the back of the pack last time. Most ponies improve in the second outing after their first visit to the track.

Bred to handle the sod- should make headway. You shouldn't skip this entry given the Dam's solid record with turf starters (20 starts, 20% wins). Dam's foals have not produced the best results in this group with entries in their 1st contest (5 starts, 0% wins, -100% ROI).

This rider and conditioner have a favorable ROI when they unite. This Sire's foals have not produced positive profits when on the turf (1107 starts, 9% wins, -50% ROI). Jonathan J Gonzales has the top numbers in this group with starters in their first trips to the post (40 starts, 15% wins, +87% ROI).

Abdiel Jaen could put some cash in your pocket with this equine and his power rating. Jena M Antonucci does not have the best figures in this group of the horses in this race with starters moving down the class ladder (50 starts, 4% wins, -38% ROI). Don't see her as a sure thing after that last race.
